

**J.A. LASORSA  
& ASSOCIATES**

## **EVENT SECURITY & V.I.P. AND ENTERTAINER PROTECTION**

**J.A. LaSorsa & Associates can oversee security concerns for your event and provide detailed advice on how best to reduce risk and safeguard your organization's vital interests.**

**Whether it is a small seminar held in a hotel conference room, or an event taking place in a huge outdoor stadium, by implementing standards and operating procedures, J.A. LaSorsa & Associates will help provide a safe and secure environment.**

**J.A. LaSorsa & Associates will assist in creating a crowd management plan, exterior, interior seating, ingress, and egress. Our staff will interact with police, fire, and medical personnel as a liaison between your event staff and venue manager. We will advance events to insure staff requirements are met as well as training and various vendors / contractors understand their rolls.**

**J.A. LaSorsa & Associates can also provide touring protection specialists to provide personal protection for entertainers and other celebrities and V.I.P.s. We will work in conjunction with promoters, production managers, and tour managers. We will advance upcoming concerts, design passes, and assist with travel arrangements, such as transportation, hotels, restaurants, and night clubs. We will advance various venues both in the United States and internationally on security and crowd control issues. This will help create a safe and enjoyable environment for patrons as well as entertainers.**

### **Our Services include but are not limited to:**

- Logistical Preparation for any event
- Personal Protection of V.I.P.s or Entertainers
- Canine Security & Protection
- Crowd Control
- Secured Ingress and Egress
