6. OVERALL EVALUATION - GENERAL COMMENTS/RECOMMENDATIONS:

This is the 3rd EP training course I've taken and by far the BEST! I went through Executive Protection Institute and Northern Virginia Training Academy (Miller Consulting Group). EPI had several instructors, Miller had 2. Very difficult for one person to command the attention of an entire class for 3 straight days. Joe did a fantastic job utilizing technology for the course, and showing us how to use technology in the field. Great job Joe!

Instruction was clear, power point & videos carefully planned & executed. Practical application of EP training could exercise and very useful. Definitely really liked this nice to know that the instructor is not only willing to be successful during training, but also after completing the course. PS - Can't wait to take another course from instructor if one opens up. Great instructor Joe!!
