J.A. LASORSA & ASSOCIATES

EXECUTIVE PROTECTION
RISK ASSESSMENTS & TRAVEL ADVISORIES

Global security issues and personal vigilance have become an even more important component to the traveling executive and elite individuals. Our team has served across the globe in various security capacities. Whether your needs are for a secured aircraft for international travel or an assessment of your overseas assets, we can help. Our consultants are fluent in Spanish, Italian, and Arabic.

Risk and Travel Advisories provide clients with current, in-depth information concerning overseas travel and living in foreign counties.
