From: Captain Charles M. Memher III

Subj: LETTER OF RECOMMENDATION ICD 1STLT JOSEPH M. LASORSA
8841/0302 USMC

1. I was First Lieutenant LaSorsa's Staff Platoon Commander at The Basic School from January 2008 to July 2009. I was in daily contact with 1stLT LaSorsa in the conduct of classroom instruction, discussion groups, and field exercises. 1stLT LaSorsa was one of my most passionate and diligent students. He was proficient in the field and in garrison. 1stLT LaSorsa possessed that unique character that made being an instructor and SPC a rewarding experience. It was clear at TBS that Joseph desired to lead a platoon of Marines, specifically Infantry Marines.

2. Since his departure from The Basic School, 1stLT LaSorsa and I have corresponded at least monthly and at times weekly. I have followed closely as he offered updates of his progress, and even his family news. He is always positive and enthusiastic concerning his chosen profession. Despite recent challenges, it is still evident that he is unequivocally devoted to the Corps and leading Marines. Though he has only served a few years, I believe that he possesses the maturity and desire to serve beyond his initial tour.

3. I had the honor of observing and training thousands of Lieutenants and Warrant Officers while assigned to TBS and I know that 1stLT LaSorsa is a devoted Officer. I am certain 1stLT LaSorsa will overcome any adversity and will succeed. Therefore, I would like to respectfully offer my highest recommendation for future assignment and retention considerations.

Subj: CHARACTER STATEMENT OF 1STLT LASORSA, JOSEPH M

1. Since 1stLT LaSorsa's transfer to the 2-1 on 15 September 2010, I have had daily observations and interaction with this Officer; work days that exceed ten hours days. We have interacted on both the professional and personal level.

2. 1stLT LaSorsa instantly earned my respect and admiration through his actions and impressed upon me that he is a man of strong family values and truly believes in the Marine Corps tie to Core Values; I believe that 1stLT LaSorsa is a solid young Marine Officer that is motivated about both his duties and his privilege to be an Officer in the Marine Corps. The very first day that he moved to the 2-1, 1stLT LaSorsa made positive impacts on the tracking process for all training that the Battalion was conducting. In my career that exceeds twenty-one plus years I have not few Marines of any capacity with the acute attention to detail that this Marine has. I have served with numerous young First Lieutenants, both as an enlisted Marine of nearly 18 years and as a Chief Warrant Officer of over five years. It is with this corporate knowledge that I regard 1stLT LaSorsa as an Officer that stands out amongst his peers.

3. In my interactions with 1stLT LaSorsa, I know that he is diligent in his duties and has a reputation as being both technically and tactically sound. I would serve with this Officer in any setting and believe that his is steeply based in moral conviction and will continue to be a valuable asset for the future of the Marine Corps.

Subj: CHARACTER STATEMENT ICD 1STLT LASORSA, JOSEPH M 8841/0302

1. I'm writing this character reference letter on behalf of 1stLT Joseph LaSorsa. I first made the acquaintance of 1stLT LaSorsa in the fall of 2007 while filling the billet of Officer Selection Officer for Officer Selection Team, Miami Florida at Florida Atlantic University in Boca Raton, Florida. I also have the distinct honor of recruiting, training, and commissioning SNO. Throughout the last five years, 1stLT LaSorsa and myself have remained in contact. I have therefore been tracking his officer career and his personal progression. I'm very familiar with his parents, wife & extended family. SNO comes from a strong, moral, and ethical family. His father is a retired U.S. Secret Service agent that runs his own Private Security business.

2. 1stLT LaSorsa stands out clearly among the many Officer Candidates that I was blessed to put into the Marine Corps. It was his keen attention to detail, maturity, respect for SNO's and Officers, and eagerness to earn the title of Marine Officers that grabbed my attention. His eagerness to learn and to lead his fellow candidates has always been his strongest attribute. He was also on time for all SNO events and consistently contributed to assisting other Officer Candidates. He has grown to become a stable, confident Marine Officer. He has unlimited potential, and can accomplish any task with little to no supervision. He is a true team player and always brings the best out of his Marines. He has consistently carried himself with an impeccable appearance. He is constantly striving to improve himself as a Gentleman and a Marine Officer. He is very enthusiastic about his career as a Marine Infantry Officer and has my utmost recommendation for retention and promotion.

3. 1stLT LaSorsa is a highly qualified Commissioned Officer who will continue to make measurable and positive impact on the Marine Corps. He consistently seeks responsibility and is always looking out for the welfare of his Marines. SNO's confidence and organization skills make him a true professional. He is a team player that always excels in any endeavor. I would agree with SNO in any capacity in the future. SNO has my utmost recommendation for retention and promotion. He will not only

serve himself with distinction, but inevitably bring honor to our beloved Marine Corps.
