RE: Personal Protection/Security Driver Position

Good day,

Thank you for taking the time to review my qualifications. My name is Joseph LaSorsa and I'm applying for the Personal Protection/Security Driver position with LaSorsa & Associates.

For the past 11 years, client safety, security and satisfaction have been a passion of mine. After a successful internship beginning shortly after my eighteenth birthday, I began my journey to fulfill my goal in becoming an Executive Protection Specialist. Joining the Marine Corps in 2008, I began an exciting three years as a Platoon Commander, a Battalion Training Officer and eventually an Instructor/Trainer at Special Operations Training Group. After an honorable discharge from the Marine Corps, I re-engaged in my career choice of Executive Protection. Realizing that professional development is required for a successful career, I attended LaSorsa & Associates 7-Day Executive Protection course and shortly after I began working in the field where I've been awarded the opportunity to provide protective services for C-level executives as well as High-Net-Worth-Individuals. It is my objective to serve in a leadership role in one of your Executive Protection Units.

Thank you again for your time and consideration, I look forward to speaking with you soon about this exciting opportunity.

Sincerely,

Joseph LaSorsa
